1. Attached is the project outline to cover ALCAPLIN/1 activities in France. We did not use the cryptonym AKMATH as we are not sure that Headquarters will want to continue the same name for France as for Germany.
2. We had hoped to hold off on submitting this outline until after the visit to Paris of ALCAPLIN. However, in view of references, it will be difficult to do so and still meet the 15 February deadline. Accordingly, we are submitting it now and if any changes are necessary we will forward them later.
3. Possible changes would probably come in the section re cover. We are not positive that the agent can get admitted, and, if not, this may create a difficult problem.
